04

Rental agreement - core terms

The operating agreement between the Company and the Primary Renter.

AGREEMENT

The Company provides the equipment identified in the Rental Summary for temporary use during the stated rental period. The Rental Summary, authorized-driver list, condition reference, operating rules, disclosed-charge schedule, and signed acknowledgments are incorporated into this agreement.

RENTER INITIALS _____

PRIMARY RESPONSIBILITY

The Primary Renter is responsible for the rented equipment during the rental period, compliance with this agreement, the actions of authorized participants or drivers, safeguarding the equipment, timely return, reporting accidents or damage, and charges properly assessed under this agreement. The equipment and this agreement may not be transferred, subleased, lent, or assigned to another person.

RENTER INITIALS _____

AUTHORIZED DRIVERS AND PARTICIPANTS

Only individuals approved by the Company and listed as authorized drivers may operate motorized rental equipment. Each approved driver must satisfy the Company's age, identification, licensing, and eligibility requirements. The Renter must not allow an unapproved, underage, unlicensed, impaired, or otherwise ineligible person to operate the equipment.

RENTER INITIALS _____

DRIVER ELIGIBILITY

Each driver represents that the information provided is accurate, the license presented is valid and current, the driver is legally permitted to operate the equipment, and the driver will follow applicable laws, ordinances, instructions, and operating restrictions. A restriction that is incompatible with the rented equipment prohibits operation.

RENTER INITIALS _____

05

Use, enforcement and recovery

Customer obligations when operation becomes unsafe, prohibited, or materially noncompliant.

AUTHORIZED USE

The Renter must use the equipment only for its intended purpose, keep it within authorized areas, comply with passenger and capacity limits, protect it from theft or misuse, and stop operating when a safety or mechanical concern is identified. The Renter may not tamper with mechanical, electrical, fuel, battery, GPS, or safety systems.

RENTER INITIALS _____

VIOLATIONS AND ENFORCEMENT

The Company may issue instructions, restrict continued use, or terminate the rental when reasonably necessary to address unsafe operation, unauthorized use, impairment, illegal activity, restricted-area operation, tampering, overloading, refusal to follow safety instructions, or another material breach. Any additional charge must have been properly disclosed.

RENTER INITIALS _____

RIGHT TO INTERVENE OR RECOVER EQUIPMENT

The Company may take reasonable action to protect customers, the public, employees, or equipment when immediate safety concerns, prohibited use, abandonment, theft, or a material violation is identified. The Renter agrees to cooperate with lawful and reasonable recovery instructions. Nothing in this section authorizes unsafe conduct, breach of the peace, or action prohibited by law.

RENTER INITIALS _____

PERSONAL PROPERTY

The Renter is responsible for removing personal belongings from the equipment. Personal-property responsibility remains subject to the final approved agreement and applicable law.

RENTER INITIALS _____

06

Risk, waiver and indemnification

Legal-rights language for the final, professionally reviewed agreement.

PROFESSIONAL REVIEW REQUIRED

This section affects legal rights. Final wording must be reviewed and adapted by qualified legal counsel before customer use. Keep the approved language with the released agreement version.

ACKNOWLEDGMENT AND ASSUMPTION OF RISK

The Renter understands that recreational rental activities may involve inherent and other risks, including collision, rollover, falling, drowning, changing weather or water conditions, uneven terrain, equipment failure, actions of other drivers or participants, property damage, bodily injury, permanent disability, or death. Not every risk can be anticipated or eliminated. The Renter knowingly and voluntarily assumes the risks identified in the final approved agreement.

RENTER INITIALS _____

LIABILITY WAIVER AND RELEASE

The final approved waiver and release must identify the parties receiving the release, the activities and equipment covered, the scope of claims addressed, the governing jurisdiction, and any claims or conduct that cannot lawfully be released. The executed customer agreement should use only the professionally reviewed version.

RENTER INITIALS _____

INDEMNIFICATION

To the extent permitted by applicable law and as stated in the professionally reviewed agreement, the Renter may be required to indemnify and hold the Company harmless from specified third-party claims, costs, damages, or liabilities arising from misuse, breach, unlawful operation, unauthorized use, intentional or reckless conduct, or damage caused by persons under the Renter's responsibility.

RENTER INITIALS _____

07

Equipment care and damage responsibility

Protect the asset, document the condition, and support any post-rental charge.

EQUIPMENT CARE

- Use the equipment only for its intended purpose and follow provided instructions.
- Protect the equipment from theft, loss, misuse, and avoidable damage.
- Keep the equipment within authorized areas and within passenger or load limits.
- Do not alter, repair, decorate, tape, paint, or modify the equipment without permission.
- Stop using the equipment when a safety or mechanical concern is identified and contact the Company.
- Return the equipment in substantially the same condition, ordinary wear excepted.

RENTER INITIALS _____

DAMAGE, LOSS AND THEFT

- | | |
|--|--|
| ☐ Repair parts and labor | ☐ Recovery or towing |
| ☐ Missing accessories or keys | ☐ Excessive cleaning |
| ☐ Theft or total loss | ☐ Reasonable loss-of-use amounts when supported and legally permitted |

The Company should compare the pre-rental and post-rental condition before assessing a damage charge. Charges beyond the security authorization should be supported by appropriate documentation and processed under the signed agreement and applicable payment rules.

RENTER INITIALS _____

FUEL, BATTERY AND SERVICE ASSISTANCE

FUEL / CHARGING POLICY

SERVICE-CALL CALCULATION

Unauthorized fuel, opening secured fuel systems, altering charging equipment, or attempting repairs without permission is prohibited. Assistance required because of misuse, unauthorized operation, depleted fuel or charge, lost key, or failure to follow instructions may result in a disclosed service or recovery charge.

RENTER INITIALS _____

08

Water, incidents and mechanical concerns

Stop, report, preserve the equipment, and document what happened.

WATER EXPOSURE AND WATER DAMAGE

Motorized equipment not designed for water use must not enter or be exposed to prohibited water conditions. If exposure occurs, the Renter must stop operation when safe, avoid attempting to restart damaged equipment, contact the Company immediately, follow emergency instructions, and provide accurate incident information.

RENTER INITIALS _____

ACCIDENTS, INCIDENTS AND BREAKDOWNS

☐ Accident or injury☐ Property or equipment damage☐ Theft☐ Breakdown☐ Water exposure☐ Police / emergency-service involvement☐ Violation notice☐ Missing key or accessory

Emergency services should be contacted first when someone is injured or immediate danger exists. The Renter must promptly contact the Company, cooperate with reasonable documentation procedures, and must not abandon the equipment unless directed by the Company or emergency authorities.

COMPANY EMERGENCY NUMBER

RENTER INITIALS _____

MECHANICAL CONCERNS AND EQUIPMENT AVAILABILITY

The Renter must stop using the equipment and contact the Company if a safety or mechanical concern occurs. If equipment becomes unavailable, the Company will follow its written policy regarding assistance, recovery, replacement equipment, rescheduling, credits, or refunds.
